FOR IMMEDIATE RELEASE

**MADOLON MCGRENERA JOINS DEVELOPMENT TEAM AT
A SHELTER FOR CANCER FAMILIES**

HOUSTON, TX – 5/7/2018 – A Shelter for Cancer Families (ASCF) welcomes **Madelon McGrenera** to the organization’s growing team. Madelon served in a number of volunteer roles for ASCF prior to joining A Shelter for Cancer Families' staff in development as a contract employee. Her vast experience, professional polish & attention to detail have enabled Madelon to provide a much needed level of support to ASCF. In her role with ASCF, Madelon helps oversee the implementation of ASCF's strategic approach to fundraising which includes major gifts, annual fund, planned giving, corporate donations, grant solicitation, capital campaigns, special events & in-kind resources.

An Austin native, Madelon McGrenera graduated from Texas Tech University and eventually her family made their way to Houston now calling H-town home. When not working for ASCF, Madelon & her husband Ryan can be found cheering for son Grady on the ball field or supporting daughter Reese in her acting & singing endeavors.

About A Shelter for Cancer Families (ASCF)

A Shelter for Cancer Families provides tangible support to families (not just patients) affected by cancer, regardless of age, cancer-type, treatment status or income. All services are provided at no charge. Housing support is based on what out-of-town families affected by cancer need when seeking cancer care in the Texas Medical Center. Navigation services (offered to both families from Houston and those from out-of-town seeking cancer care in the area) help families navigate the cancer landscape, make sense of medical jargon and explore options. ASCF values the time, dignity and privacy of each family member served and demonstrates these values in both work and program design.
